Rings recorded before release; time recorded at release and end of fly; after fly, rings are compared to ensure kit is identical. Please note: We all make mistakes with ink-pens, so any and all corrections to this form must be initialed by both the flyer and cognizant timer in attendance prior to submission to the Central Timer. Results are compiled and sent out via the US Postal Service and listed on www.tipplers.com/ftsofusa
 Happy Tipplering!
